About NCCC

NCCC, having celebrated the opening on February 7th 2013, is a **non-profit**, independent business **network** committed to build the **bridge** between the business communities of the Nordic countries and the Chinese speaking countries and regions.

Member benefits

As a member you will benefit from the network and exchange of knowledge through a range of activities.

Member Meetings

Member meetings provide down-to-earth, first-hand knowledge sharing about the business practices in China as well as in Nordic countries. Participating in the meetings gives your company and you relevant insights.

Business Network

As a NCCC member your company will have chance to meet with both Nordic and Chinese companies. Membership gives your company the opportunity to exchange knowledge and experience with other members.

Chinese Contacts

NCCC has Chinese speaking staff educated, living and working in both Nordic countries and China. Our vast network in China gives you the direct access to valuable contacts of Chinese organizations and companies. NCCC holds trade and investment seminars, training sessions, business meetings for the delegations and chambers of commerce of different branches in the Nordic countries as well as in the Chinese speaking countries and regions.

Company Profile

NCCC members will be given the opportunity to introduce and promote their companies and activities on NCCC website.
